

REMARKS

Favorable reconsideration is respectfully requested in view of the foregoing amendments and following remarks.

Initially, Applicants express their appreciation for the indication that claims 1-11 and 13 are allowed.

Claim 17 has been amended to change the term "modulating" to "activating". Support is found in the specification on page 5, lines 22-29.

Claim 18 has been amended to delete the term "prophylaxis".

In view of the foregoing, it is believed that each ground of rejection set forth in the Official Action has been overcome, and that the application is now in condition for allowance. Accordingly, such allowance is solicited.

Respectfully submitted,

Tsuneo YASUMA et al.
